

## KEVIN P. MARCH

*Senior Vice President  
Chief Financial Officer  
Texas Instruments Incorporated (retired)*

Kevin P. March served as Senior Vice President, Chief Financial Officer of Texas Instruments, Inc., a global semiconductor company, from 2003 to January 2017. Mr. March joined Texas Instruments in 1984 and had also served in numerous roles in finance, operations and general business management across the company's corporate and business operations, including as vice president and financial planning manager for its global operations and as corporate controller. Mr. March retired from Texas Instruments in November 2017.

Mr. March joined the Applied Materials board of directors in 2022.
