

## KEVIN MARCH

*Senior Vice President*
*Chief Financial Officer*
*Texas Instruments, Incorporated (retired)*

Kevin March joined Texas Instruments Incorporated, a global semiconductor company, in 1984 and built a career of varying positions of increasing responsibility over his 33-year tenure at the company. Mr. March held numerous roles in finance, operations and business management across corporate and business unit functions during his career at Texas Instruments. He was appointed Controller in 2002 and was named Chief Financial Officer in 2003. From 2003 to 2017, Mr. March served as Senior Vice President and Chief Financial Officer, where he led the company's finance organization and developed the company's capital management strategy.

Mr. March joined the Applied Materials board of directors in 2022.
